HCS Student Laptop & Wi-Fi Agreement 2016-2017

Students & Parents/Guardians acknowledge the following regarding:

A student laptop/tablet, or a school Chromebook:

Student

Parent
Initial

1. Students in Grade 10-11-12 are required to have a laptop or tablet for their studies. Students may bring their own device or may borrow one from HCS. Students in grades 7-9 may also bring their own devices for academic purposes.
2. Student Wi-Fi is a privilege, not a right. Therefore, misuse may result in permanent restriction or loss.
3. Chromebooks provided to Grade 10-11-12s are being loaned for academic use from September 2014 until June 2015 and remains the sole property of HCS.
4. Students who borrow a Chromebook must protect it by always using a sleeve or case. Students must show this case before a Chromebook will be issued.
5. HCS will handle warranty or software issues. For the purposes of technical support, this Chromebook will be considered a standard lab computer.
6. The Chromebook must be returned (or replaced) when course work is completed in June. Failure to return the Chromebook will result in a replacement cost being added to the student's family account.
7. Students must submit the Chromebook for quarterly inspections, random inspections, and maintenance when deemed necessary.
8. Students & Parents/Guardians agree to cover the entire cost involved in repair/replacement for any loss, theft, misuse or abuse rendered to the Chromebook.
9. Installing unapproved software on the Chromebook, or attempting to circumvent the security of the Chromebook is prohibited, and may result in permanent restriction or loss.
10. HCS' Internet contains content filtering software and all web access will be logged and reviewed. Students will not attempt to disable or circumvent this

filtering. **NOTE: HCS strongly recommends that families provide a similar content filtering software for home Internet use.**

- HCS' content filter is not a substitute for supervised and/or responsible use of the Internet. It is the student's duty to be diligent and remain accountable for the sites he/she visits.
- Content not blocked by the filter does not represent endorsement of the content by HCS.

11. HCS is registered with Google Inc. as a "Google School". All High School students will be given and will be expected to use a secure academic Google account including a Gmail address:

firstname.lastname@student.heritagechristian.ca and Google Drive storage.

12. Students acknowledge that their information (name, school, academic work, personal use at the discretion of the student) will be stored in the cloud via Google Drive.

Check all that apply:

- Yes, we agree to the HCS Student Laptop & Wi-Fi agreement
- I require a Chromebook for my studies at HCS
- No, I do not agree to this agreement and will not participate
- I have my own laptop that I wish to use for my studies at HCS
