## HCS Student Laptop & Wi-Fi Agreement 2017-2018

Students & Parents/Guardians acknowledge the following regarding:

**A student laptop/tablet, or a school Chromebook:**

Student  
Initial

Parent  
Initial

1. Students in Grade 10-11-12 are required to have a laptop or tablet for their studies. Students may bring their own device or may borrow one from HCS. Students in grades 7-9 may also bring their own devices for academic purposes.
2. Student Wi-Fi is a privilege, not a right. Therefore, misuse may result in restriction or permanent loss.
3. Chromebooks provided to Grade 10-12s are being loaned for academic use from September 2017 until June 2018 and remain the sole property of HCS.
4. Students who borrow a Chromebook must protect it by always using a sleeve or case. Students must bring this case before a Chromebook will be issued. Students may not 'personalize' their chromebooks through labeling the exterior in any way.
5. **\*\*NEW\*\*** We are pleased to announce that all chromebooks will have their content filtered both at school and away from school. Away from school content filtering will be provided via a third party company (securely.com).
6. HCS will handle warranty or software issues. For the purposes of technical support, this Chromebook will be considered a standard lab computer.
7. The Chromebook must be returned (or replaced) when course work is completed in June. Failure to return the Chromebook will result in a replacement cost being added to the student's family account.
8. Students must submit the Chromebook for quarterly inspections, random inspections, and maintenance when deemed necessary.
9. Students & Parents/Guardians agree to cover the entire cost involved in repair/replacement for any loss, theft, misuse or abuse rendered to the Chromebook.
