Middle School - Morning Star September 2017

Parents: Fill out the "Permission Form" on page 3

Dear Parents and Students

Nothing quite says, "Welcome back to school" like MORNING STAR!!!

Morning Star is a very special time for staff and students to set the spiritual tone for the year right out of the gate. Our focus during this time is our high school (grades 10-12) students, but we do want the middle school (grades 8-9) students to get a small taste of things to come in future years.

The Gr8 and Gr9 class will be bussed from HCS to Morning Star on Thursday, September 7th. They will depart shortly after 8:30 am and will return for regular pick-up time of 3:05 pm. An added bonus is that **we will provide lunch for the students that day.**

At morning star the students will participate in a chapel as well as participate in some camp wide games.

Grade 8/9 Morning Star – What to Bring:

- Appropriate clothing for the weather (supposed to be HOT on Thursday) *Note – Dress code still applies!*
- Bible
- Sunscreen
- Water bottle
- Flexibility
- Anticipation
- **No Headphones** – The whole purpose of this trip is to make connections! Take this time to unplug from the devices.

We look forward to the first week of school and to seeing you on Tuesday night at our welcome back BBQ (5:00 pm back field).

In case of emergency, please contact Mr. Dorie by call or text at 250.215.8714.

Blessings,

Matt Dorie
